Butler, Pa 16003

Dear Butler Area Street Machine Association:

On behalf of The Leukemia & Lymphoma Society (LLS) and the patients we serve, please accept our sincerest appreciation for your support in organizing your fundraising event. **The proceeds from your donation allowed for a contribution of \$900.00**, which will support vital patient aid programs and cancer research efforts. Without the generosity of individuals like you, the work we do at LLS would not be possible. Please know your hard work and selflessness has not gone unnoticed.

Because of individuals like you, major advances toward cures for blood cancers are being made. To date, LLS has invested more than \$1 billion in research to advance therapies and save lives. Your support is *truly* appreciated by the thousands of leukemia, lymphoma and myeloma patients we serve through financial aid, support programs, legislative advocacy and, by funding lifesaving research for treatments and cures.

Thank you again for being an integral part of our research efforts and for providing hope for so many with blood cancers. With your continued support we will be closer to reaching our goal of finding cures. If you would be interested in learning more about our efforts, or joining a committee to help in our cause, please call 412-395-2873.

We hope we can count on your support again for next year!

Sincerely,

Codi Fleet
Campaign Manager
