SUBJECT: APPROVED BYLAWS AMENDMENT  
DATE: APRIL 22, 1988

At the regular organizational meeting of the General Council held on March 28, 1988, a motion to revise the organization's bylaws to change the quorum for meetings of the General Council from two thirds to a majority was unanimously passed. Enclosed you will find the recommended amendment which can be used as the original for adoption, if you desire. In order to further save each municipality time and money, we will advertise for all the municipalities at once. A copy of the advertisement is also enclosed. Of note, the "generic" nature of the public notice is considered adequate for a council of governments such as ours.

Please place the amendment on your June agenda. If you have any questions concerning the revision, contact Tom DeBello at anytime.
